TOMMY HUTCHISON

Manager, Swansea City Football Club

It's nice to keep the interest going with a 2 0 away win over Cardiff in the Freight Rover Trophy which brings us into the Southern Area Quarter Final.

A disappointing result at Rotherham, although the scoreline was a little false and at Doncaster we were really unfortunate not to come away with three points. A bitter blow for the side when early in the second half Ian Davies broke his left leg and will be out for some time. Not the sort of luck we need at this critical time in the clubs history. Get well soon Ian!

On the brighter side I'd like to congratulate Keri Andrews and Wayne Elsey in their inclusion in the Welsh Youth team, especially Keri who scored two goals in Wales' European Youth Championship win over Northern Ireland in Wrexham last week.

Paul Burrows also in the Wales Youth team got his name in the newspapers as Young Player of the Month...I only got the runnerup slot. Well done Paul.

Welsh Cup giant killers Kidderminster a Gola league side are our opponents in the quarterfinal tie of the Welsh Cup at the Vetch on Thursday, 13th February, kick off 7.30 pm. This will be Swansea's third

Welsh Cup meeting with Kidderminster in seven years, having beaten them 6 1 in 1979 and a 2 0 win the following year. We will treat them with great respect and in no way will they be underestimated ... it promises to be a lot tougher this time. We are looking forward to a large crowd of loyal supporters to spur on the lads ... I'm sure that will be worth a goal start! A win here will be a step forward towards Europe.

This afternoon we play Bolton, earlier in the season we drew 1 1 and felt a little unfortunate not to have collected three points there due to a harsh penalty decision late in the game. Personally, I shall be happy to see old friends again, Asa Hartford, Derek Scott and David Croff all of whom I've played with in the past and hope it will be an interesting game.

David Farmer writes...

BOLTON'S SWANSEA BOYS

Just before the war (I'm getting to sound like Rob Wilton) two Swansea school-boys left the town to join Bolton Wanderers. They were two fine prospects and, no doubt had it not been for the war they would have made even bigger names for themselves. The two boys were "Ernie" Jones and Jackie Roberts. Both had done well in schoolboy soccer and were tempted North to join, what was at that time, one of England's leading clubs.

In due course Jackie, a full back, played 144 games for Wanderers between 1946 and 1950, scoring 11 goals and winning a Welsh Cap. In 1950 he came back to the Vetch but, by then, his knees had gone and he lasted just 16 games. Ernie, on the other hand did not stay with Bolton after the war but came back to the Vetch where he played 37 English League games, scoring 3 goals and winning 4 Welsh Caps before moving to Tottenham.

As far as I know these two players are the only links of that kind which we have with the Lancashire club. Ernie, by the

way, was a favourite with the warm Lancashire folk. Unusually for those days he had three initials W.E.A., as a result they called him Alphabet Jones.

As far as matches are concerned, we first met in the semifinal of the F.A. Cup when, as Billy Hole recalled a year or two ago, we 'froze in the face of the first division team', we lost 03. Since then we have played sixteen other games, drawing four and winning six each.

Our best win at the Vetch was a 30 victory in February 1981. By winning that game we did the 'double' over Wanderers for the first time (we had won 41 at Bolton). The teams that day were: -

SWANS: Stewart; Evans, Hadziabdic, Lewis, Charles, Stevenson, Craig, James (R), Curtis, James (L), Mahoney.

BOLTON: Poole' Graham, McElhinney, Burke, Jones, Brennan, Nikolic, Watmore, Hoggan, Thomas, Gowling, Thompson, (s).

The match was memorable for Leighton James, who scored a hatrick including two penalties. The crowd was 9,468 and the ref's name was Warner.

The Managers

No.8 (part one) **RONNIE BURGESS**

In June 1954 Ron Burgess was given a free transfer by Tottenham and came to the Vetch as 'Player Coach'. It was a position which had been filled in the club's earlier days by Mr. Jack Nicholas. The old time pro would have applauded the arrival of the Tottenham man, for he was a footballer in every sense.

Burgess continued in the role of coach until the summer of 1955 when the town and club was stunned at the death of Billy McCandless. At that time the Welsh International was given the title of 'Team Manager'. He used Joe Sykes and Ivor as his assistants in selecting the side. With the men at his disposal flowing football was thought to be the order of the day.

Unfortunately after five games only four points had been gained, but then Burgess's team put together a fine string of wins. By the beginning of October the side had notched up eleven games without defeat. Such was the interest in the team and its style that 29,477 peo-

ple crammed into the ground to see the game against Leeds —John Charles et al.

On 5th November, Liverpool were the visitors and Bill Paton described the teams win as being "filled with tension and high speed drama". However that win was marred by an injury to Tommy Kiley which he aggravated subsequently. Since no substitute of quality existed Burgess was forced to play in the position himself for the match at Leicester. Sadly top of the table Swans were badly beaten 16 which was the beginning of a sequence of eight games only one of which was won.

Burgess tried everything but, for the lack of a dominant centrehalf his side slipped from promotion hopefuls to finish tenth in the league. What was worse Terry Medwin was sold to Spurs for £18,000. It was the beginning of an exodus and the beginning of the end of Ronnie Burgess's short reign as manager.

BOLTON WANDERERS — PEN PICTURES 1985-86

SIMON FARNWORTH (Goalkeeper) — Voted Player of the Season by the fans last term in only his second full season in League football! Under the watchful eye of Charlie Wright, who has coached him since his school days, Simon has developed into one of the most promising talents on the North West scene, and deserved his recognition under the Robinson's Young Player award scheme.

DEREK SCOTT (Defender) — The highly versatile Gateshead lad and former England Schoolboy international signed from Burnley in the summer for £20,000 after 10 seasons of first team football with the Clarets. It was the third time Wanderers had tried to sign him.

JIMMY PHILLIPS (Defender) — A home town boy who emerged last season at left-back and as a central defender with many encouraging qualities.

DAVE SUTTON (Defender) — The former Plymouth central defender joined Bolton for £12,000 in the close season after eight years with Huddersfield where he was club captain and enjoyed two promotion campaigns including a Fourth Division Championship success.

MARK CAME (Defender) — The big centre-half made a forceful impact last season — his first in League football after joining Wanderers from non-League Winsford.

PAUL FITZPATRICK (Defender) — Bolton moved in for the young defender after seeing him in trials with Liverpool. He showed a lot of promise in his brief appearance at senior level towards the end of the season.

ASA HARTFORD (Midfield) — A half-century of Scottish international caps behind him, the seasoned midfield player joined Wanderers in the summer after his shock release by Norwich City, for whom he scored the winning goal in last season's Milk Cup Final against Sunderland. Clydebank-born, Hartford started his career with West Brom and in spells with Manchester City (twice), briefly with Nottingham Forest and two years with Everton, he was regarded as one of the most influential of British midfield players.

WARREN JOYCE (Midfield) — An award as one of the North West Young Players of last season was a fitting reward for the determined young sporting all-rounder who has been a regular in the Bolton midfield since making his debut at the age of 19 in April, 1983.

STEVE THOMPSON (Midfield) — A powerful shot is just one of the assets of the strong young midfield player who has been a first team regular for two seasons.

GRAHAM BELL (Midfield) — In his third season with the club, Graham joined the Wanderers from Carlisle in January 1984 with a wealth of experience after spells in the North West with Oldham and Preston.

SIMON RUDGE (Forward) — Small in stature but big in heart, the Warrington-born youngster who started his League career with the Wanderers as a striker made an impressive switch to midfield last season.

ROGER WALKER (Forward) — Speed and control are the exciting talents of the youngster who has been impressing in the club's junior sides for a couple of seasons.

TONY CALDWELL (Forward) — The club's top scorer in successive seasons since being snapped up by the Wanderers from a local non-League club in the summer of 1983. Within two months of hitting the League scene he scored a club and Third Division record five goals in a League game against Walsall.

GEORGE OGHANI (Forward) — Twenty-one goals last season proved that the talented striker who made goalscoring his business in his non-League days also had the instinct to make it in the Third Division.

DAVID CROSS (Forward) — Few men can boast as consistent a scoring record as the much-travelled striker who joined Wanderers in the summer after being released by First Division West Brom, where he had returned for a second spell after playing in America. The North West is David's home territory although he has travelled the country serving up a feast of goals with Rochdale, Norwich City, Coventry, West Ham, Manchester City and Oldham during a League career of well over 500 games.

DEAN ROBERTS (Forward) — A promising, fearless striker who was robbed of a possible senior breakthrough last season by an untimely injury.

SAM ALLARDYCE (Defender) — In his second spell with the club following his £10,000 transfer from Huddersfield, Sam made his name with the Wanderers in the Seventies when he shared in the Second Division Championship success. Transferred to Sunderland in 1980, Allardyce also had spells with Millwall and Coventry.

WAYNE ENTWISTLE (Forward) — Started his footballing career with Bury going on to play for Sunderland, Leeds and Blackpool. After a second spell with Bury he left them in the summer of 1985 to join Carlisle United. He came to Bolton at the end of October this season.

PHIL NEAL (Half-Back) — He became Wanderers Player/Manager on December 18th, 1985, when he left Liverpool after 11 successful years. He picked up a half century of England caps (a record for a full-back) and on the domestic scene won an incredible seven championship medals with the Anfield club. After joining Liverpool in October 1974 from Northampton, he became one of the most reliable members of the Anfield unit, playing 641 senior games and adding four League Milk Cup winners medals and four European Cup successes to his honours.

THE VOICE OF
THE SWANS with
JAMES LEWIS

It is interesting to note that although it looks likely that the Football League's restructure package will be rejected by clubs next month, it seems that major reforms for the West German League will go through. This includes a cut from

18 to 16 teams; an extension of the mid-winter break from six weeks to three months; more summer soccer and a national indoor championship. This radical re-think has been brought about by the large drop in attendance figures over the last decade. West German clubs, including League leaders Werder Bremen, have always argued that wintry weather was a major factor in low attendances. This factor, plus West German Football Federation President, Hermann Neuburger's determination to get reforms accepted, virtually make the issue cut and dried.

Obviously, we have to look to the future. Football in this country has to change — both on and off the field. But how? Your views would be welcome; and the best ones will be published in 'The Swan' at a later date.

Write to me at the address below. It's about time the Football League took notice of you — the true football supporter.

DOUG SHARPE APPEALS

Much has been said, much has been written, and I'm sure there's much more to discuss before SWANSEA CITY FOOTBALL CLUB is free of the problems which are strangling the chances of survival.

My principal concern has been the emergence of the Football Club free from debt, properly controlled and organised, with a first class playing team which will give value for money to you our loyal supporters. The near 20,000 attendance at the Manchester United friendly match recently is a sure indication of the depth of feeling for football in Swansea.

All concerned will be hoping and praying that the Judge will look favourably on a single united effort, probably the last chance to SAVE THE SWANS, when my package goes forward to the High Court on Monday, 10th February.

All I ask is your support in the weeks ahead to prove to all concerned that football is wanted in Swansea and I, on my part, in association with my business colleagues, will do everything in my power to solve the existing problems.

THEREFORE, IT IS OF PARAMOUNT IMPORTANCE THAT SUPPORTERS ARRANGE TO TRANSFER THEIR MONIES FROM THE SWANS AID APPEAL TO OUR NEW FUND, AND EVERY EFFORT IS MADE TO RAISE CASH BY WHATEVER MEANS.

D. SHARPE
